

WEST WINDSOR TOWNSHIP

2018 - ARBOR DAY

ART CONTEST

A bug, known as the Emerald Ash Borer, has found its way to West Windsor. It is feeding on our Ash trees and will kill almost all the Ash trees in our town.

There are some other bugs and infections that threaten other tree species as well.

How would you feel if West Windsor had no trees? How would you feel if all the trees on earth were gone?

THEME: Show us why you think tree trees are important on the earth and specifically in West Windsor !!
