

**TOWNSHIP OF WEST WINDSOR
MERCER COUNTY, NEW JERSEY**

Notice is hereby given that sealed proposals addressed to the Business Administrator will be received on or before **Wednesday, August 30, 2017**, at 2:00 pm, prevailing time, at which time they will be opened and read at the West Windsor Township Municipal Building, 271 Clarksville Road, Princeton Junction, New Jersey for the work described below.

Specifications, plans and bid documents will be available on or after **August 3, 2017**, at 11:00 am, and may be examined from the Administration Department located in the West Windsor Township Municipal Building during regular business hours, 9:00 AM to 5:00 PM, Monday through Friday excluding holidays or obtained upon a non-refundable deposit of \$50.00 per set. Check shall be made payable to West Windsor Township.

Bids must be submitted on the prescribed form, in a sealed envelope marked:

**Bid Proposal
EMERGENCY BACKUP GENERATOR
FOR THE
SOUTH POST ROAD PUMP STATION**

The work under this contract includes the furnishing of all labor, material and equipment necessary or required to complete all work set forth in the contract documents.

The Base Bid consists of the supply and installation of a 2017 or newer KOHLER Model No. 150REOZJF

150,000 WATT, Diesel-fueled Generator located at the South Post Road Pump Station, including but not limited to removal and replacement of a reinforced concrete pad, installation of a service rated transfer switch, a Decision Maker 550 Controller, a double wall sub-base fuel tank, a weatherproof Level II enclosure, capping of existing fuel oil transfer piping and decommissioning of the existing above-ground fuel oil tank (to remain in place), repair of CMU wall openings associated with new or existing electrical conduits, removal and disposal of the existing electric generator connections or switches, and transportation of the removed generator to the West Windsor Township Public Works Facility located at 70 Southfield Road. A temporary portable generator that currently serves the facility is to remain in service until such time as the new generator is commissioned. All required State, County and Municipal Permits will be the responsibility of the Contractor. The facility is located at the South Post Road Sanitary Pump Station, approximately 0.3 mile south of Conover Road.

A bid deposit in the form of a certified check, cashier's check, or bid bond made payable to the Township of West Windsor in the amount of ten percent (10%) of the total amount of the bid, but not to exceed \$20,000.00, must accompany each proposal as a security, which may be forfeited and retained by the Township in lieu of its other legal remedies, if a successful bidder's proposal is accepted by the Township and he shall fail to execute and return to the Township the required contract and/or bonds within ten (10) days after delivery of the prepared contract and/or bond form to him by the Township.

The Township Council reserves the right to reject any or all proposals in whole or in part to waive such informalities as may be permitted by law.

Bidders are required to comply with the requirements of **P.L. 1975, C. 127 and N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27.**

Marlena Schmid
Business Administrator
