

OPIOID OVERDOSE PREVENTION

HELP SAVE A LIFE!

FREE training and FREE Narcan® Nasal Spray Kits for the first 30 participants on a “first- come, first-served” basis.

Training is open to anyone who is at risk or knows someone who is at risk for a heroin or opioid overdose.

Education will be provided on how to administer Narcan® (Naloxone) to reverse a heroin or opioid overdose.

Date: Monday January 29, 2018

TIME: 6:00 PM

Lawrence Community Center
295 Eggerts Crossing Road
Lawrenceville, NJ 08548

This training is co-sponsored by Homefront

The Opioid Overdose Prevention Project is made possible by funding received from the New Jersey Governor’s Council on Alcoholism and Drug Abuse, New Jersey Department of Health and Senior Services, Division of Mental Health and Addiction Services and JSAS HealthCare, Inc.
