

Alexander Road Reconstruction Phase 2 To Begin On or About Monday, May 22nd

West Windsor announces that roadway reconstruction work along Alexander Road will commence on or about Monday, May 22nd, weather permitting.

This project will resurface the two travel lanes along the westerly side of Alexander Road between Roszel Road and Vaughn Drive heading in the direction of the Alexander Road / North Post Road Roundabout.

Improvements will include roadway resurfacing, concrete curb replacement where necessary and accessible handicap ramp upgrades.

Total project duration is forty five (45) days, weather permitting. Work will occur with partial lane closures in one direction, between the hours of 9:00 AM and 4:00 PM. Delays during this time are to be expected.

Please honor all signage and temporary traffic control measures for your own safety and the safety of others.

If you have questions concerning this project, please contact the West Windsor Township Engineering Division at (609) 799-9396.
