West Windsor Township Approved To Receive \$225,000 Award For The Alexander Road Resurfacing Project - Phase 4

West Windsor, NJ – West Windsor Mayor Shing-Fu Hsueh announced today that the Township has been approved to receive \$225,000 for the Alexander Road Resurfacing Project - Phase 4. The project will be funded by the New Jersey Department of Transportation under the FY-2017 Municipal Aid Program.

The Alexander Road - Phase 4 project will provide for improvements to the westerly half-section (from curblineline to centerline) of Alexander Road, between Roszel Road and U.S. Route 1, including milling and overlay, drainage improvements where necessary, curb realignment, improved signage and striping, inlet casting replacements, and concrete sidewalk with handicap ramps and detectable warning surfaces.

Mayor Hsueh stated, “We are grateful to the New Jersey Department of Transportation Trust Fund and the ongoing cooperation between the Township and the State for improvement of our local transportation network. We will participate in all available programs to enhance the safety of the West Windsor community.”
