<b>Grant Funds Available or Other Sources of Funding (Name of grant, amount and grant period):</b> \$225,000 NJDOT Local Aid – Conover Road Bike lane project (application pending)		
<b>Detailed Justification (By Year):</b> The funding for this program will provide for the extension of bike lanes throughout the Township in an effort to improve pedestrian safety and encourage alternate modes of transportation. Priorities for this program were developed in consultation with the West Windsor Bicycle and Pedestrian Alliance and are based on an evaluation of current and future needs.  In 2014, it is anticipated that the existing network will be further expanded to include Conover Road (between South Post Road and Galston Drive). In addition, signage & striping enhancements will promote a safer means of travel for all the Township residents.  <ul style="list-style-type: none"> <li>○ Village Road West (between the Windsor Ponds Development and Quakerbridge Road)</li> <li>○ Village Road East (between Old Trenton Road and South Lane)</li> <li>○ Alexander Road (between Wallace Road and County Route 571)</li> <li>○ Harris Road (between Alexander Road and Clarksville)</li> </ul> <p>The Township has applied for \$225,000 in state aid from the NJDOT for this project and this allocation would be forfeited if the project is not funded.</p> <p style="text-align: center;"><b>2014-</b></p>
