April, 2024

Dear West Windsor Arbor Day Art Contest Participant,

Thank you for entering your artistic work into the West Windsor Township Shade Tree Commission's Arbor Day Art Contest. The response to this year's theme, *A Family of Trees*, was tremendous!! Your vision of how trees and family help make our world happy, pretty and healthy is an inspiration to all !!

Over 100 entries were submitted this year. It is impressive to see the artistic talent and creativity of the students in the West Windsor-Plainsboro School District and community. We consider all of you to be winners and appreciate the time you have taken to share your vision for the love and beauty of trees, nature, and the environment.

Please thank your parents and teachers for the time they have taken to help you cultivate your creativity and skills.

The Shade Tree Commission found it very, very difficult to select winners among all the beautiful, colorful entries. You offer great hope that your generation will continue to treasure trees and the many benefits they offer to the well being of each of us, and the earth that we share as a family.

We trust that you will continue with your artistic endeavors and look forward to seeing your entries in future contests.

Sincerely,

Helen Rancan,  
Shade Tree Commission Chairperson
