

# PRESCRIPTION ASSISTANCE PROGRAMS

“MATCHMAKER” organizations that connect individuals with resources for low cost or free medications. These organizations do not directly provide any medication programs. Questions about a specific program must be answered by the individual company directly providing that program.

## **RxAssist**

An on-line resource center with a comprehensive database of pharmaceutical companies that offer patient assistance programs to provide free and/or low cost medications, as well as information on Medicare Part D and other issues related to pharmaceutical access. Eligibility varies by individual program requirements.

## **Rx Outreach**

A mail order pharmacy offering more than 190 medications at a reduced cost. You can use Rx Outreach regardless of your age, use another discount medicine program or patient assistance program. Eligibility depends ONLY on your income, which differs depending on the number of financially dependent people in your household.

## **Pharmaceutical Assistance for Aged & Disabled (PAAD)**

A state funded program that helps eligible New Jersey residents with the cost of prescribed medication covered under their Medicare Part D Plan. The PAAD co-payment is \$5 for each covered generic drug and \$7 for each covered brand name drug. Eligibility requirements: (1) New Jersey resident (2) age 65 years or older OR at least 18 years of age and receiving Social Security Disability benefits; (3) meets income guidelines; (4) enrollment in Medicare Part D, unless prohibited from doing so.

## **Mercer County Prescription Savings Program**

A free prescription drug discount card program which provides savings of 10% - 50% off your prescription drug costs. Simply present your discount cards along with prescriptions to be filled to your pharmacist. The program can be used by Mercer County residents without a prescription drug benefit program or as a supplement for an insured prescription plan, and as a Medicare Part D supplement by covering drugs once participants reach the "donut hole". The drug card also discounts prescriptions for your pets.
