

West Windsor Township

IMPORTANT CHANGES TO

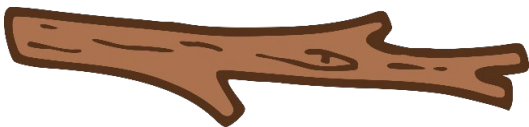

Leaf and Yard Debris Collection

Starting this year per the New Jersey Department of Environmental Protection regulations, leaves must be separated from yard/brush debris for proper processing at recycling facilities.

Please separate materials curbside for collection as follows:

LEAF PILE – Leaves ONLY.

YARD/BRUSH DEBRIS PILE – branches, twigs, brown sweet gum seed balls, weeds, plant stalks, pine needles, tree trimmings & pruning debris, flowers, garden trimmings, shrub clippings and all other vegetative debris.

Size regulations: LOGS – 6-inch diameter or smaller, 18 inch length max.

BRUSH – 4-inch diameter or smaller, 5 feet length max.
