

DMV Important Information

The Mobile Unit can serve up to 40 customers, with an additional 10 customers to be placed on a standby list.

- Driver License renewals can be processed within six (6) months of expiration and upgrading to the REAL ID driver license.
- Registration renewals, Veteran Handicap and Purple Heart recipients' placards.
- Permits and Non-Driver ID.
- License plate drop-offs are also allowed and do not count against the number of customers we can serve during the event.
- Six (6) points of ID is required and a social security card. Those who do not possess a social security card or an Individual Taxpayer Identification Number (ITIN) may submit an affidavit form which can be found on the MVC website www.njmvc.gov. In place of a social security card, a customer can present a W2 from the past tax year (2020), a current pay stub (number cannot be redacted), or a 1099 form. Only listed can be used as replacements for a social security card.
- Hours of Operation: 10:00 am to 2:00 pm
- The list of customers will need to include; name, email, transaction they would like. If applying for a REAL ID, we will need their driver license expiration date added to the list. Currently, we can process up to 12 REAL ID customers, anything more than that, customers would have to be placed on a stand-by list. We ask REAL ID customers to appear from 10-11:30, if they report past noon it is likely we will not be able to service them.

THE FOLLOWING TRANSACTIONS CANNOT BE PERFORMED AT THE MOBILE UNIT(S)
