

Are you 55 or over and interested in changing lives?

MISSION

Big Brothers Big Sisters of Mercer County creates and supports one-to-one mentoring relationships that ignite the power and promise of youth.

"A hundred years from now it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove... but the world may be different because I was important in the life of a child."
—Forest E. Witcraft

WE WANT YOU!

We are currently recruiting for our newest initiative, matching adults aged 55 and over with youth 18-21. With the wisdom and life skills you hold, you have the power to ignite potential in these youth as they navigate the transition to adulthood.

The invaluable guidance of a mentor 55+ will empower these individuals and give them important role models. Matches will be supported by our staff and have a 1 year commitment.

Now is your chance to
empower the next generation!
